St Helen's Church of England Primary School

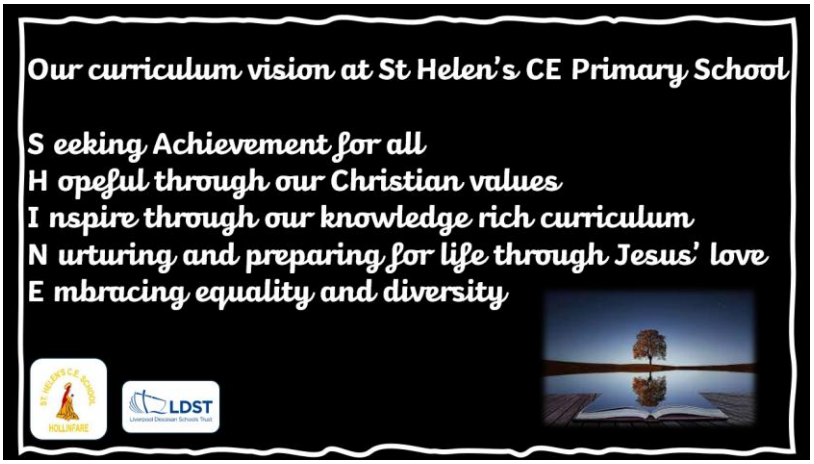

Music Policy

In His footsteps, we love, learn and shine together.

Shine Curriculum Intent

At St Helens CE Primary School, we envision a future where all children shine brightly, achieving their full potential and making positive contributions to society through our high-quality, progressive curriculum and nurturing Christian values. Through our knowledge-rich approach and commitment to equality and diversity, we inspire confident, inquisitive learners who are prepared for life's challenges with love and support.

Shine Curriculum Values

Seeking achievement for all.
At St Helens CE Primary, we aspire for all children to succeed, achieve and flourish, embracing a high-quality, progressive curriculum. Our students will make positive contributions to the school, society and the world, fostering curiosity and a thirst for knowledge.

Hopeful, through our Christian Values.
At St Helens CE Primary, we empower children with Christian values and biblical teachings to support their families, friends, and community, inspiring them to make a positive impact in the world they live in.

Inspire, through our knowledge-rich curriculum.
At St Helens CE Primary, we are dedicated to provide a knowledge-rich curriculum that empowers all children to become confident, inquisitive, and independent learners. Our sequenced and planned approach ensures that every child leaves our school with a vast knowledge across all subjects, setting them up for success in their academic and personal journeys.

Nurturing and preparing for life, through Jesus' love.
At St Helens CE Primary, we strive to empower every child to reach their full potential by nurturing them with our Christian values. Through our SHINE enrichment programme, we provide opportunities for personal development, equipping our students with cultural capital and essential life skills. Our vision is to create a community where every child can shine brightly and make a positive impact on the world around them.

Embracing equality and diversity.
At St Helens CE Primary, we believe in the inherent potential of every child to achieve and succeed. We foster a culture where each student is valued as a unique individual, treated with dignity, respect and kindness. Our vision is to create a nurturing and inclusive environment that empowers students to flourish academically, socially, and emotionally, preparing them to positively impact their community and the world.

In His footsteps, we love, learn and shine together.

Curriculum Implementation

Teaching Expectations
Music at Foundation Stage is covered in the **'Expressive arts and design'** area of the EYFS Curriculum and is taught at St Helen's CE Primary using the 'Development Matters' guidance.
A new Music unit is taught each half term in Key stage One and Key Stage two.

Structure of lessons:
Retrieval:

- All children will participate in a short task focused on retrieving previously learned knowledge.
- The varied tasks aim to reinforce key knowledge and help students make progress across the curriculum.
- The knowledge being retrieved may come from past lessons, units of work or even previous school years.
- The intention is for students to permanently retain this knowledge and apply it in their learning.

Introduce new Vocabulary:

- All children will be introduced to key vocabulary at the start of each lesson.
- Teachers will provide definitions, examples and actions to help students remember the key vocabulary effectively.
- Students will be challenged to learn and correctly apply the meaning of these words throughout the lesson and in future lessons.

Teach:

- The teacher will share the core knowledge for the lesson with the children using a range of teaching strategies and quality resources.

Tasks- Collaborative

- Children are encouraged to work with a partner for collaborative learning.
- Tasks assigned are short and aim to facilitate discussion and cooperation.
- Students are expected to apply their understanding of new information taught.
- Collaborative learning helps students to deepen their understanding and build on each other's ideas.

Tasks- Independent/Group

- The children will work independently on a task or as part of a small group.
- These tasks will vary lesson by lesson and will require the children to apply what they have learned or apply their newly acquired skills.

Summarise-

- The teacher will summarise the learning that has taken place in the lesson explaining how it builds on previous learning and where their learning will take them next.

Reading in our curriculum

- Reading is a priority in all lessons for children. It is seen as the key to all learning and is essential for overall academic success.
- Children will read a variety of texts including fiction, information, poetry, online glossaries, information from websites and blogs.
- Quality texts based around the subject and unit will be planned for and indicated on long term plans. These texts may be used as a hook into the learning, referred to in the lesson or in the learning environment for inspiration and for children to access independently.

Use of resources

- The subject lead and class teachers must ensure they have the required resources for teaching including the texts that will be used to enhance the learning.
- The subject lead will carry out an audit of the resources in school for their subject.
- Teachers should discuss with the subject lead if any additional resources are needed.

Assessment

- Assessment should be used continuously to inform teaching strategies.
- Teachers should assess students on their knowledge after every lesson and plan for the next steps in teaching accordingly
- Lesson retrieval tasks will be used to assess children's learning and are effective in addressing gaps in students' knowledge.
- Feedback should be used in accordance with the school's policy to indicate student progress and next steps.

Impact

By the end of EYFS our pupils will be able to:

- sing a range of well-known nursery rhymes and songs.
- perform songs, rhymes, poems and stories with others, and (when appropriate) try to move in time with music

By the end of KS1, our pupils will be able to:

- use their voices expressively and creatively by singing songs and speaking chants and rhymes* play tuned and untuned instruments musically
- listen with concentration and understanding to a range of high-quality live and recorded music
- experiment with, create, select and combine sounds using the inter-related dimensions of music.

By the end of KS2, our pupils will be able to:

- play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression
- improvise and compose music for a range of purposes using the inter-related dimensions of music
- listen with attention to detail and recall sounds with increasing aural memory
- use and understand staff and other musical notations
- appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians
- develop an understanding of the history of music.
