

Our curriculum vision at St Helen's CE Primary School

S eeking Achievement for all
H opeful through our Christian values
I nspire through our knowledge rich curriculum
N urturing and preparing for life through Jesus' love
E mbracing equality and diversity

Seeking achievement for all.

Our PE curriculum enables children to learn key knowledge and engage in competitive sports and activities. Children will investigate a range of skills become physically confident in way that supports their health and fitness. The PE curriculum is progressive, with a clear sequence of learning, which allows children to build on what has been learned previously. They will regularly recap on previous teaching to ensure 'sticky learning' takes place.

Hopeful, through our Christian Values.

Our PE curriculum is built around an understanding of, and a deep belief in, our Christian mission statement. We want children to realise that their body and mind is a gift from God and that it should be respected and nurtured. We want children to have a deep sense of awe and wonder about how best to lead healthy, active lives, based on the teachings of Jesus Christ.

Inspire, through our knowledge-rich curriculum.

Our PE curriculum is designed to develop each child's curiosity and fascination about our mind and bodies that will remain with them for the rest of their lives. Children will learn how to evaluate and recognise their own success and show a commitment and a deep obligation to follow Jesus' footsteps by caring for ourselves and others.

Nurturing and preparing for life, through His love.

As children progress into adulthood, we hope that the foundations of our Curriculum will enable them to have a deep passion and curiosity for developing their mind and body. We hope they develop a determination for challenging themselves and showing courage for themselves and others. We want the children to appreciate how truly unique and special they are in our world and how God loves them unconditionally.

Embracing equality and diversity.

Our curriculum will teach the children to embrace equality and diversity by giving opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect. The children will be made aware of the importance of differences between people, their opinions and beliefs and to respect these. They will learn that we all have a role to play in supporting in each other, that we are all equal, we should value each other and appreciate differences.
